Please be mindful of other vendors regarding their tent space, items, and tables. All profane, abusive, discourteous, and boisterous language and/or conduct within the Market area shall be prohibited. Weather & Safety Regulations:

1. We do not cancel the Market due to weather unless a Hurricane is coming through, and communication will be sent via email, text. You should arrive at the Market at Load-in time. If the weather is still happening at Load-in time, we will delay setting up until it is deemed clear enough. Also, if we need to cancel the Market due to weather, that decision is not made until 8 am at Cagan.

2. The Market Manager's prime concern is safety during bad weather conditions, such as wind, rain, and lightning. The Managers may choose to close the Market early as needed. It is recommended that all Vendors have a "Quick Break-Down Plan" to maximize the speed and protection of merchandise when poor weather occurs.

3. Vendors are permitted at any time to protect merchandise by covering it with a tarp or using the tent side walls during sudden weather changes. Lowering your tent by 2-3 feet to stabilize is allowed.

4. Violation of any general public safety rules or Market policy listed in this Agreement by vendor or staff may result in termination of space rental. Vendors shall generally be given a verbal and/or written warning as a courtesy from the Market Managers of any such violation, but it is not required before termination.

5. Everything must be stowed away and out of sight, keeping the booth area neat and clean. You may stow under your table if you are not using the stretchy tablecloths. Vendors should not use the sidewalks as an extension of their tents or products. Please note: Always pull over as close to the curb as possible to allow other vehicles to get by. There is only one way in and one way out.
